

Start Sailing Through Your Workload.

With High, Medium, and Low Sail blades you'll have just the right blade needed to fly through your mowing job. But, there's more, with Atomic mulching blades you can make grass clippings virtually disappear.

When you're looking for the finest quality and superb results, make sure to use Toro genuine blades. Because when it comes to performance and reliability, Toro delivers.

High Sail

- Provides best Quality Of Cut in most grass conditions
- Preferred blade for bagging applications

Medium Sail

- Provides better Quality Of Cut
- Better overall performance in most conditions

Low Sail

- Lower noise levels and power consumption
- Reduced discharge velocity of clippings - best for dry conditions

Atomic

- Aggressive tooth design shreds grass and leaves into a fine mulch

Count on it.
